

American Lincoln Parts

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the business they are recognized in the industry as providing durable and strong machinery which meets the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln could supply warranty service, equipment and parts for these scrubbers which carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been utilized by the architects in different construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
